LED LIGHT PAD

How to plug the LED light pad:

When the LED light pad is connected to the AC adapter or the computer (only for the USB power supply model), the indicator on the left top will light up with red color which means the light pad has been connected successfully. (If the indicator doesn't light up, please check the connection of your AC adapter or USB cable)

How to adjust the brightness:

Please wait for 3 seconds after plugging the AC adapter or USB cable, and then touch the switch on the left top to light up the LED light pad. The light will be gradually brighter when you keep touching the switch. And touch the switch again to turn off the light pad.

LB3 / LB4

Dimension: LB3: L19.6" x W13.78" x H0.31" LB4: L15.75" x W10.67" x H0.31"

Active Area: LB3: 16.54" x 11.81" LB4: 12.2" x 8.27"

Surface Materials: Acrylic Panels

Light Source: LED

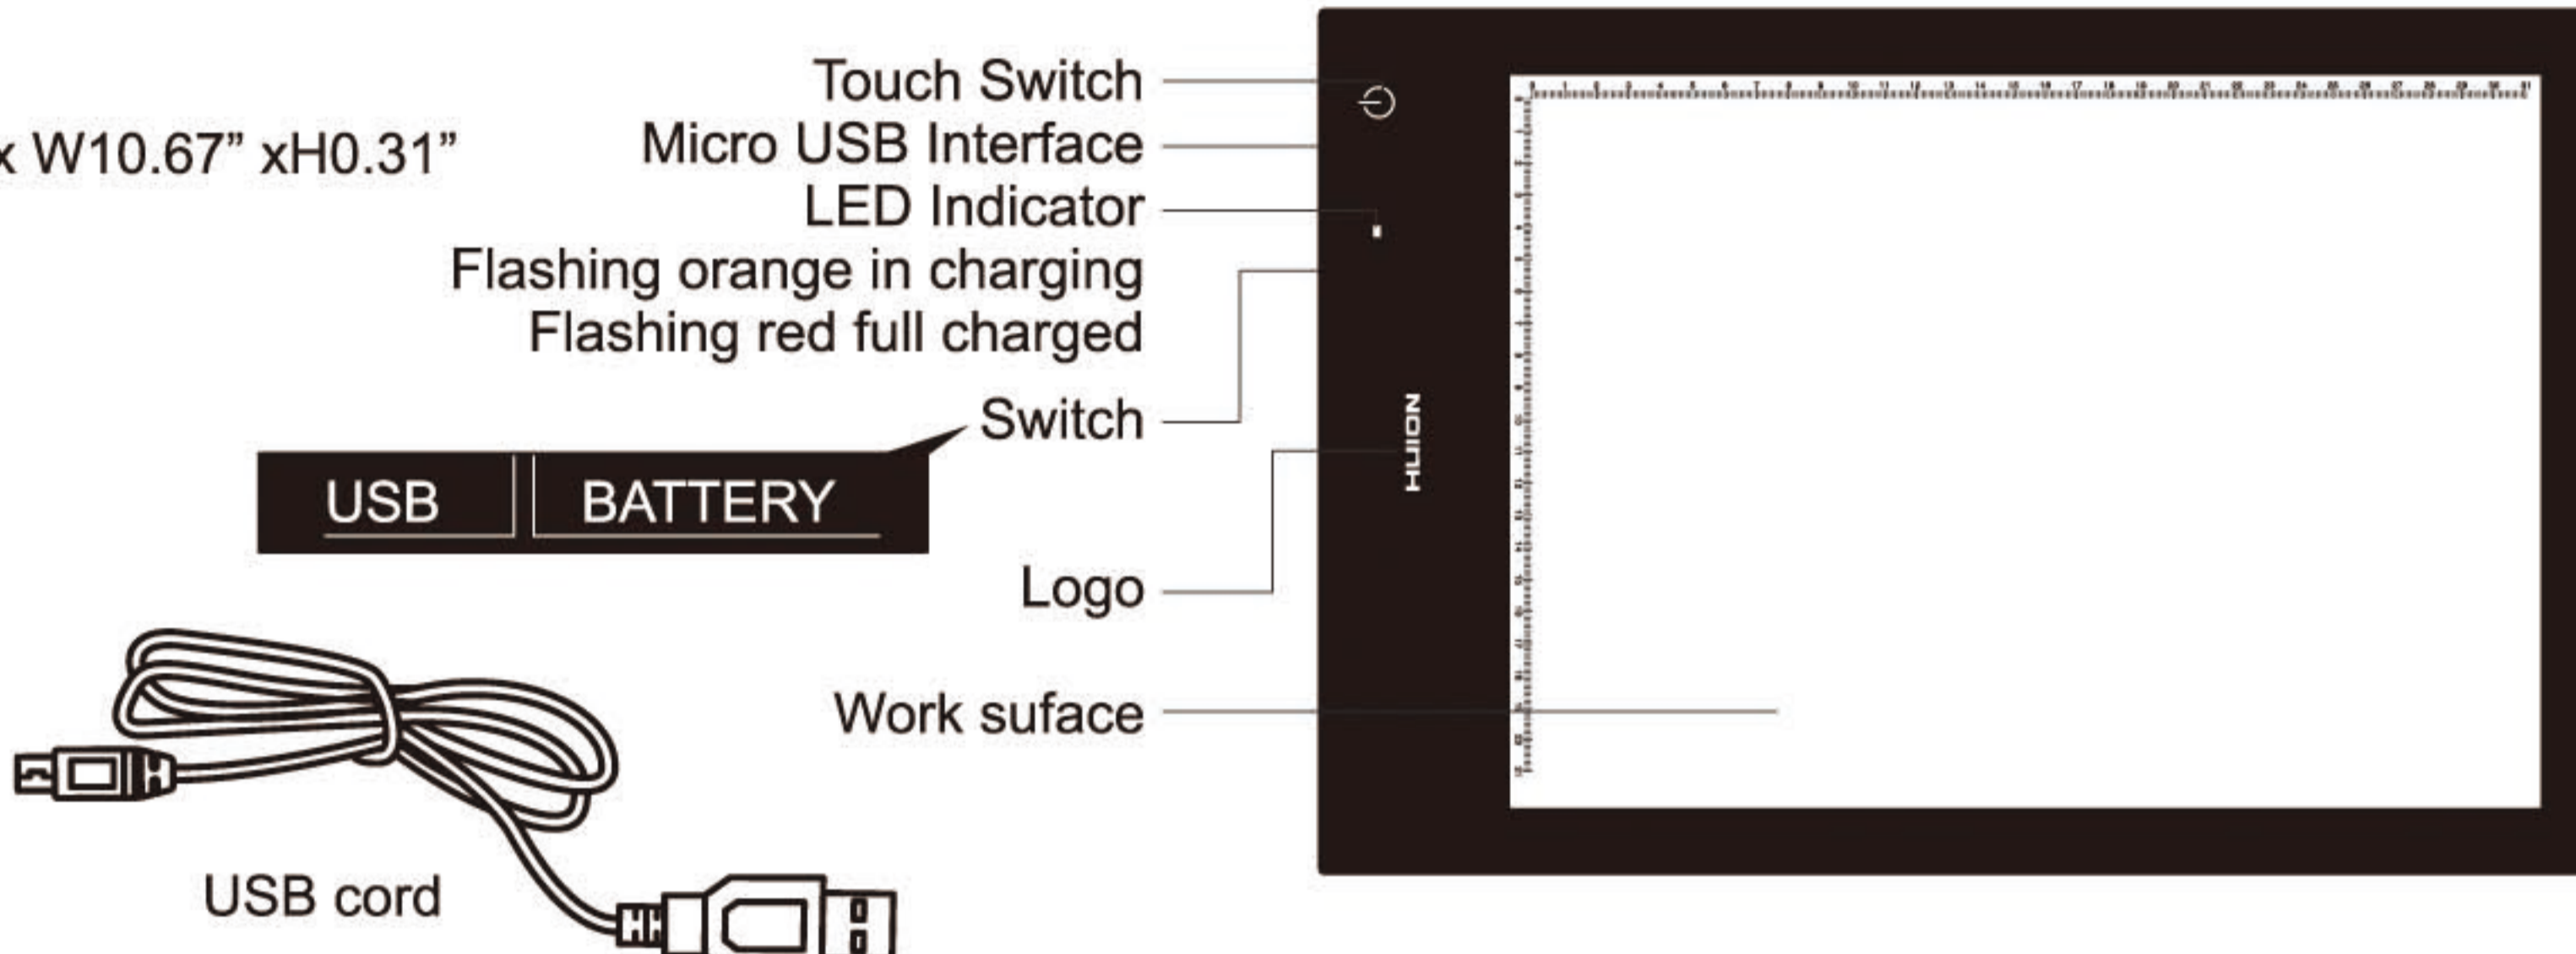

Power Supply: DC5V

Rated Power: LB3: 3W LB4: 1W

Interface Type: USB 5V or Li-ion Battery 1050 mAh

Guide Light Way: Light Panel

Net Weight: LB3: 1.665 KG LB4: 1 KG

Rechargeable LED Light Pad Instruction:

- 1) Charging method: The light pad has built-in polymer battery. After plugging the USB cord, please switch to BATTERY option to charge. The LED indicator color is orange when charging and it will turn off after 1-2 hours when fully charged. Normally the power can support the LED light pad to work continuously for 2-5 hours.
- 2) The orange indicator will flash when running out of battery power. You may use the USB cable to supply power by switching to the USB option.

Attention:

- 1) Please do not modify or disassemble any product components offered by our company, or try to use any components which are not supplied by us (including adapter etc) without authorization. Any damages caused by the above factors will not be eligible to enjoy warranty.
- 2) Please turn off the power and unplug the power line when not working.
- 3) Note: To avoid damages caused by falling down, please place the LED light pad on a flat working surface. Keep it away from moisture or dusty environment.
